## SeaPort Airlines to Discontinue Seattle Service

(December 30, 2011) – SeaPort Airlines today announced it is discontinuing all flights from Seattle (Boeing Field), effective January 27, 2011.

"Changes to our overall business model, including a shift in our fleet strategy, necessitate the need to end Seattle service," said Rob McKinney, President of SeaPort Airlines. "While this announcement is not easy to make, we would like to thank our customers who supported us over the years and our employees in Seattle who provided great service."

Customers with tickets on the affected flights will be offered a refund. Passengers with questions can call 1-888-573-2667.

SeaPort Airlines announced in early December it will begin service to North Bend/Coos Bay, Oregon on January 15, 2012 followed by service to Jackson and Nashville, Tennessee on January 22, 2012. On March 1, 2012, the carrier will add service to Yakima and Wenatchee, Washington.
