## SeaPort Announces Release of Mobile Website

(December 19, 2011) – SeaPort Airlines today announced the launch of a new mobile website at [www.seaportmobile.com](http://www.seaportmobile.com). The site is compatible with Android, iPhone, iPad, and Blackberry mobile devices. SeaPortMobile.com offers travel and contact information, direct links to social media, special offers, and access to flight schedules, all at the touch of a hand. The addition of booking capabilities directly from the website is planned for later 2012. The site can only be accessed via phone, and will offer special deals and contests throughout the year.

“The new mobile site is one of numerous enhancements we have planned for 2012,” said Rob McKinney, President—SeaPort Airlines. “We’re looking forward to giving our passengers additional tools in the coming year that give them timely information and more choices to customize their travel experience.”

SeaPort will run a contest for all visitors that view the new site on their phones through January 15, 2012. Any individual can participate by visiting [www.seaportmobile.com](http://www.seaportmobile.com) and following the instructions under the Contests tab.
